LLE INSTRUCTION 5100G

SUBJECT: POLICY ON VISITS OF NON-U.S. CITIZENS

ENCLOSURE: (1) Non-U.S. Citizen Visitor Information Sheet

1. **Purpose:** To establish a policy for visits to the Laboratory of all non-U.S. citizens.

2. **Discussion:** To safeguard classified and sensitive information associated with the inertial confinement fusion (ICF) program, all visits by non-U.S. citizens to the Laboratory must be preapproved.

3. **Procedures:**
   
a. Planned visits must be requested through the Director’s Office at least 60 days prior to the proposed visit date. Enclosure 1 must be filled out and submitted to the Director’s Office for approval.

b. Upon submission, the LLE host will be briefed by the Deputy Security Officer to ensure for the duration of the visit that classified or sensitive ICF information will not be discussed, access to the Stockpile Stewardship Project area during classified processing will be denied to all foreign nationals, and that access to the security vault will not be allowed.

c. Once a visit has been approved, the Director’s Office will notify the Deputy Security Officer, the LLE host, and the LLE receptionist. Any additional escorts will be briefed by the Deputy Security Officer to ensure for the duration of the visit that classified or sensitive ICF information will not be discussed, access to the Stockpile Stewardship Project area during classified processing will be denied to all foreign nationals, and that access to the security vault will not be allowed.

d. All non-U.S. citizens visiting the Laboratory will be logged in the visitors log, be issued a red escort required badge by the Director’s Office, and be escorted at all times.
