

LLE Review

Quarterly Report

Contents

In Brief	iii
Cryogenic DT and D ₂ Targets for Inertial Confinement Fusion ...	167
Structural Dynamics of Cryogenic Target Assemblies	179
Measuring <i>E</i> and <i>B</i> Fields in Laser-Produced Plasmas with Monoenergetic Proton Radiography	189
Evaluation of Cleaning Methods for Multilayer Diffraction Gratings	194
Design and Analysis of Binary Beam Shapers Using Error Diffusion	202
LLE's Summer High School Research Program	211
FY06 Laser Facility Report	213
National Laser Users' Facility and External Users' Programs	215
Publications and Conference Presentations
