

## C\_007 Handling Explosives in Quantities $\leq 10$ mg

### Step 1:

Login in to Livermore's website using *Guest Access* to complete LLNL's "[Working with Explosives in De Minimus or Residual Quantities](#)" (Course ID: HS2070-W) - allow pop-ups

### Step 2: ***In order to receive credit for this training***

- If this is your *first time* taking the training, schedule an appointment to meet with a Chemical Safety Officer
- If you have completed this training previously, forward the course completion email from LLNL, to [safety\\_training@lle.rochester.edu](mailto:safety_training@lle.rochester.edu)
