

G_002 Respiratory Protection Safety Training Instructions

LLE's G_002 Respiratory Protection Safety Training is administered through MyPath.

Step 1:

- Log into [UR MyPath](#) using your Active Directory credentials
- Search “EHS General Respiratory Protection”
- Select the online training associated with the current year and select “Launch training”

Step 2:

- Read the [UR EHS Respiratory Protection Program](#)

Step 3:

- Complete the UHS forms, “Respirator Medical Evaluation Questionnaire,” and “Respirator Use Clearance.”
 - Request forms from UHSOCCHealth@UHS.Rochester.edu
- Schedule a Medical Evaluation and Respirator Fit Check appointment
 - Call Occupation Health Services (275-4955) or contact Bring completed forms to appointment at 738 Library Rd. Floor 2
- ***If first time taking the training; contact the LLE Respiratory Protection Coordinator* for initial check-in***

**LLE Respiratory Protection Coordinator is identified in G_002 Respiratory Protection Safety Training's related links*

Step 4:

- Submit Fit Check to safety_office@lle.rochester.edu (or put a paper copy in the Safety mailbox in the East Lobby)
- Once MyPath is complete and the Fit Check has been submitted, the safety office will update your training records **within 1-3 business days.**
