

G_003A Fire Extinguisher Safety Training Instructions

LLE's G_003A Fire Extinguisher Safety Training is offered once/year, in-person only.

Covers types of extinguishers, proper use, "PASS" (Point, Aim, Squeeze, Sweep) through demonstration with a fire simulator; pre-requisite G_003 Fire Safety Training

Instructions:

- An email will be sent when dates are determined (multiple sessions are offered to accommodate varying schedules)
- Reply to the email to reserve a slot
- Once the training is complete the Safety Office will **update your training records within 1-3 business days.**
