

G_012 Lead Awareness Safety Training Instructions

LLE's Lead Awareness safety training is administered through MyPath.

Instructions:

- Log into [UR MyPath](#) using your Active Directory credentials
- Search “EHS Lead Awareness”
- Select the Lead Awareness Safety Training associated with the current year and select “Launch”
- Return to the LLE [Safety Training](#) page to review the “Lead Soldering – Safe Work Practices – LLE” document under related links
- Once complete the Safety Office will **update your training records within 1-3 business days.**
