

M_008 Aerial Lift Safety Training Instructions

Required Attendees: Anyone who operates aerial lifts in the Omega Facility.

M_008 Aerial Lift Safety Training is a one-time only training, offered by an external training company. Trainings are scheduled once 5-8 trainees are signed-up

Instructions:

- Email safety_office@lle.rochester.edu to sign up for the M_008 Aerial Lift Safety Training
- The Safety Office will reply with the next training dates available
- Report completion of the in-person aerial lift training by emailing a Certificate of Completion to safety_office@lle.rochester.edu; the Safety Office will **update your training records within 1-3 business days.**

In subsequent years, qualified operators must operate all aerial lifts specific to their job requirements at least once annually to maintain proficiency (M_008A)
